PRIVACY TIPS FOR 2015
RESPECTING PRIVACY
SAFEGUARDING DATA
ENABLING TRUST

THINK BEFORE YOU ACT:
Be wary of communications that implore you to act immediately, offer something that sounds too good to be true or ask for personal information.

SHARE WITH CARE
WHAT YOU POST CAN LAST A LIFETIME:
Before posting online, think about how it might be perceived now and in the future and who might see it.

OWN YOUR ONLINE PRESENCE:
Set the privacy and security settings on web services and devices to your comfort level for information sharing. It’s ok to limit how and with whom you share information.

BE AWARE OF WHAT’S BEING SHARED:
Be aware that when you share a post, picture or video online, you may also be revealing information about others. Be thoughtful when and how you share information about others.

POST ONLY ABOUT OTHERS AS YOU WOULD WANT POSTED ABOUT YOU:
The golden rule applies online as well.
